Washington, D.C. – Today, Congressman Jerry McNerney (CA-11) announced that he will hold a telephone town hall to reach residents of Brentwood, Byron, Discovery Bay and San Ramon on Wednesday, February 3rd at 6:40 p.m. PST.

Continuing his efforts to reach out to the community, this telephone town hall builds on in-person events hosted by Rep. McNerney, including a *Congress at Your Corner* at the Brentwood Chamber of Commerce last week. This year, hundreds of people have attended *Congress at Your Corners* to share their thoughts with, and ask questions of Rep. McNerney.

On Wednesday evening, residents from Brentwood, Byron, Discovery Bay and San Ramon will be contacted by phone and, if they choose to participate, will join an hour-long telephone town hall meeting during which they will be able to ask questions of Rep. McNerney.

Residents of any area of the 11th Congressional District can also contact one of Rep. McNerney's offices to sign up in advance for the telephone town hall. Rep. McNerney's Stockton office can be reached at 209-476-8552 and the Pleasanton office at 925-737-0727. The deadline to sign up for the telephone town hall is Wednesday, February 3rd at 5:00 p.m. PST.
