Washington, D.C. – Congressman Jerry McNerney (CA-11) announced today that he will hold information sessions for high school students interested in attending a military service academy. The information sessions will be held at Stockton's American Legion Karl Ross Post 16 on Tuesday, September 13th and at Pleasanton's Amador Valley High School Library on Wednesday, September 14th. Both events will take place from 7:00 p.m. to 9:00 p.m.

Every year, Congressman McNerney nominates exceptional students from the 11th Congressional District for appointment to the U.S. Military, Naval, Merchant Marine, and Air Force Academies. Appointed students receive a free 4-year university education, room and board, medical and dental coverage, and a stipend in exchange for a 5-year military service commitment upon graduation.

Representatives from the Congressman's office and various service academies will be on hand to offer information and answer questions about the application process. For further information, contact Congressman McNerney's Stockton office at 209-476-8552.
