Washington, D.C. – This morning, Congressman Jerry McNerney (CA-11) delivered holiday cards to soldiers at Walter Reed Army Medical Center.

Next week, Rep. McNerney will stop by the Parks Reserve Forces Training Area in Dublin to deliver cards to troops.

The “Holiday Cards for Our Troops” program has been an enormous success this year as over 9,000 cards were received.

“I was amazed when I found out that we’d received more than 9,000 cards this year,” Rep. McNerney said.

“I’d like to thank everyone who participated in the holiday card program and especially the troops who have served our country.”

This is the second consecutive year that Rep. McNerney has asked his constituents to participate in the program. <http://www.mcn.com>
