Washington, D.C. – Today, Congressman Jerry McNerney (CA-11) announced the relaunch of his website with features to better serve the needs of 11th Congressional District constituents.

“I encourage everyone to visit my newly redesigned website for information about my work as your representative, assistance with a federal agency, and resources for veterans, seniors and students,” said Rep. McNerney. “You can also use the site to send me an email about your thoughts and ideas.”
