Washington, DC – Today, Congressman Jerry McNerney (CA-11) released a list of the individual appropriations requests made by Rep. McNerney for his constituents.

“I came to Washington committed to being open and accountable to Californians – and to change the way we do business in Washington. This list of requests is a good example of that commitment.”

The list of earmark requests made by Rep. McNerney can be seen [here](http://www.mcn.com/earmark_requests.pdf).

Simply submitting an earmark request does not guarantee one cent of funding. With the tight budget picture, we must be selective in our requests.

Rep. McNerney continued, “I am fully committed to fiscal discipline and responsibility. I am proud to have

Rep. McNerney submitted individual projects that improve public safety, invest in critical infrastructure, and
