Washington, D.C. – Today, Congressman Jerry McNerney (CA-11) released a list of the appropriations funding requests he is submitting on behalf of residents of the 11<sup>th</sup> District.

“I’m proud to release the list of funding requests I made for essential transportation, public safety, education and economic development projects,” said Rep. McNerney. “I was among the first members to make a practice of releasing a list of requests and I’m continuing to keep my commitment to being open and accountable.”
