Are you having difficulty obtaining veterans benefits for yourself or a loved one? Too often, the brave men and women who serve in our nation's armed forces return home either unaware of the many services and benefits available to them as veterans, or they find it difficult to navigate the application process.

On August 2nd, from 10:00 a.m. to 12:00 p.m., I will be hosting a Veterans Assistance Workshop at East Union High School. I encourage you to stop by at any time during the Workshop to meet one-on-one with service providers who will offer information and guidance about filing Department of Veteran's Affairs claims, obtaining or replacing service medals, as well as materials about employment and educational opportunities available to you as a veteran.

Please RSVP so we can ensure there are enough service providers on hand to offer assistance. To RSVP, or to ask any other questions you may have, please contact my Stockton office at (209) 476-8552, or via email at McNerney.RSVP@mail.house.gov.

I look forward to seeing you on August 2nd at the Workshop in Manteca.
